Online Portfolio: [www.jmontillo.com](http://www.jmontillo.com)

Graduated Framingham State University with Bachelors' in Computer Science Fall 2012

**Full Time: Reflexis Inc – UI/UX Designer/Developer (Jan 2013 – Present)**

Hired right out of college to redesign their suite of web and mobile applications. The job consists of meeting with clients or management (if internal) to discuss application potential, creating mockups/wireframes (Photoshop/Sketch), then refine until ideal. Also includes coding out mockup templates and working with developers to make functional, as well as overseeing final approval. My work was specifically mentioned as #3 of the top 5 takeaways at the NRF Big Show 2016 conference in New York ([bigshow16.nrf.com](http://bigshow16.nrf.com)) Article: [bit.ly/1pYjkYv](http://bit.ly/1pYjkYv)

**Consultant: CEO in a Box – CTO/Graphic Designer (Feb 2011 – Present)**

Start-up company in the technology and health niche; CAB has massive capital plus a diverse and talented pool of developers from MIT and Brandeis. Started as sweat equity which has vested, now on Board of Directors and consulting.

**Freelance: deHaas Creative – Web Design/Development (Feb 2016 – Feb 2018)**

Designing/developing websites for clients under the deHaas Creative brand on a freelance partnership.

**Full Time (during college): Purpose Inspired Marketing – Web Design/Development (Jan 2011 – Oct 2012)**

Start-up company founded by Dmitriy Kozlov and myself in the web development/design and marketing niche. During my employment we grew to 6 outsourced developers, one in house developer and one intern.

**Part Time (during school): Mercedes Benz – Receptionist (June 2009 – Jan 2011)**

**Part Time (during school): Bj's Wholesale/CompUSA – (Feb 2006 – June 2009)**

**Freelance: jmontillo.com – Owner (Aug 2006 – Present)**

Small business I founded where I host/create custom web content, custom websites and Wordpress websites for individuals and small businesses focusing on UI/UX and backend development.
